Services

Business Law

Running a business involves complex legal considerations. We assist with company formation, shareholder agreements, director duties, business structuring, and corporate governance.

Our solicitors provide strategic advice on business acquisitions, mergers, and sales, ensuring transactions are smooth and legally sound. We also handle commercial contracts, terms and conditions, and regulatory compliance to safeguard your business operations.

Employment Law

Employment law is constantly evolving, making compliance critical for businesses. We provide expert guidance on drafting employment contracts, policies, and procedures to align with the latest regulations.

Our team advises on redundancy, disciplinary actions, grievances, and settlement agreements. We represent clients in employment tribunals and provide legal solutions to mitigate disputes before they escalate. Whether you need support with TUPE transfers, discrimination claims, or workplace investigations, we ensure your business is legally protected and your workforce is

well-managed.

Intellectual Property (IP) Law

Your intellectual property is one of your business's most valuable assets. Our IP law specialists help businesses protect and enforce their intellectual property rights, covering trademarks, patents, copyrights, and trade secrets.

We assist with trademark registration, licensing agreements, patent applications, and IP infringement cases. Whether you need to defend your brand, monetise your IP assets, or negotiate licensing deals, our team provides strategic legal support tailored to your needs.

Commercial Conveyancing

Whether you are acquiring new premises, selling commercial property, or negotiating lease agreements, our commercial conveyancing team provides expert legal support to ensure a smooth and efficient transaction.

We conduct comprehensive due diligence, meticulously draft and review lease agreements, and negotiate contract terms to protect your interests. Our expertise encompasses freehold and leasehold acquisitions, landlord-tenant disputes, and the assignment, variation, or surrender of leases. With a focus on legal compliance, we safeguard your business's property investments, providing clarity and confidence at every stage of the process.

Business Immigration Law

Expanding your workforce with international talent requires compliance with UK immigration laws. We assist businesses with sponsor licence applications, Skilled Worker visas, Global Business Mobility visas, and compliance with Home Office requirements.

Our team advises on right-to-work checks, visa renewals, and immigration audits to ensure seamless international hiring. Whether you need assistance with intra-company transfers, investor visas, or legal representation for compliance challenges, we help you navigate complex immigration processes with confidence.

Commercial Disputes

Business conflicts can be complex and costly. Our commercial dispute resolution team handles breach of contract claims, shareholder disputes, professional negligence cases, partnership disagreements, and other business-related legal conflicts.

We strive to resolve disputes efficiently through negotiation, mediation, and, where necessary, litigation in the courts. Our goal is to protect your interests and achieve the best possible outcomes, minimising disruption to your business operations. We aim to preserve business relationships where possible and mitigate the impact of disputes on your company.

“

We contracted Lisa's Law after being let down by a second firm of solicitors dealing with a matter for us. They have been prompt, courteous and most importantly, resolved a matter that had been outstanding for a couple of years! The experience was altogether wholesome, and so much so we have contracted them to deal with a number of additional matters for us. Highly recommended!
